

ASKING A QUESTION

When you consider...

Fact: _____

The big duck is really heavy making it too slow

Don't you think...

Opinion: _____ ?

He won't reach the other ducks quickly enough?

MAKING AN ANSWER

We disagree! (or ***Actually no!***)

Our research says...

Fact: _____

It will be difficult for the little ducks to get away from him because he is so big

So, don't you think...

Matching Opinion: _____ ?

He will reach the other ducks because of his large wings and legs?

CHANGING THE SUBJECT

We disagree! (or ***Even if that were true...***)

What about...

There are so many little ducks that they will overwhelm the larger duck.

Don't you think...

He will eventually become annoyed and give up in frustration?
